

Teamleader Steuerungstechnik (m/w/d)

Fulltime | Hart bei Graz, Austria

#yourmission

- Your main task is to lead a team of around 10 technicians who work on our projects in-house and worldwide
- You will develop your employees and prepare them for future challenges through continuous improvement and process optimization
- You are responsible for the areas of costs, quality and adherence to deadlines for your international projects

#youareknapp

- You have several years of experience in the field of automation and control technology and are also very IT-savvy
- You have the ability to set goals, inspire employees and achieve them together
- You speak excellent German and English
- You spend a maximum of 20% of your working time on international business trips

#weareknapp

Have you already gained experience as a manager or are you ready for the next step in your career? You have the opportunity to help shape and influence a rapidly growing, young department embedded in a leading global group of companies.

We offer you a secure and long-term job in a leading company in Styria. Our employees impress with their personality, talent and commitment. We will therefore determine your gross salary individually with you. An overpayment of the monthly minimum salary of € 4,205 gross (VWGr V/im 1.u 2J) according to the collective agreement for employees in the metal industry is of course possible depending on your professional qualifications and experience.
