- As a project manager, you manage projects in terms of quality, costs and deadlines
- You monitor the progress of the project and take measures to ensure its success
- You manage all resources (time, budget, personnel, ...) within the scope of your projects
- You optimize processes in your area of responsibility and in your department's area of activity

#youareknapp

- You have completed a sound education with a focus on project management (HAK, HTL, FH, UNI)
- You already have experience in international project management
- You are very decisive
- You have very good Windows skills and good knowledge of the O365 system landscape
- You have a good command of written and spoken German and English
- You are willing to travel up to 20% of the time

#weareknapp

We offer you a secure and long-term job in a leading company in Styria and the opportunity to constantly develop yourself in a motivated team.

If you are as enthusiastic about technology as we are and would like to actively contribute your knowledge to a globally successful company, then you will have the opportunity to do so as an employee of the Implementation Excellence team after your high-quality internal training. This position is remunerated with at least € 3,350 gross (KV for employees in the metal industry, VWGr IV/n2J.). Our employees impress with their personality, talent and commitment. Therefore, we determine your gross salary individually with you. An overpayment of the above salary is possible depending on your professional qualifications and experience.

It is also possible to work part-time (at least 20 hours per week).
