

Solution Consultant (m/f/d)

Fulltime | Leoben, Austria

#yourmission

Do you want to develop smart and innovative solutions for our customers in Consulting – Supply Chain & Network Operations? Our team advises along the entire supply chain, deals with software engineering and helps to fulfil regulatory requirements.

As a Solution Consultant (m/f/d), you will advise clients on the strategic, organizational and process-related realignment of the value chain – thus contributing to the sustainable optimization of business processes and increasing competitiveness.

- Digitalization: You will support your clients in developing a digitalization strategy and using innovative technologies by KNAPP
- Consulting: Together with your team, you will develop future-oriented solutions for complex issues and provide concrete recommendations for implementation.
- Support: In your role, you will support the implementation and moderation of customer meetings and workshops, document results and present them to the customer.
- Analysis: You will create quantitative analyses and formulate recommendations for action based on the results.
