SAP EWM Senior Consultant for Logistics Projects (m/f/d)

Fulltime | Sofia, Austria

We, KNAPP IT Solutions Bulgaria, are experts in the implementation of software solutions in the logistics and automation sector.

#yourmission

- Global Implementation: Together with your project team, you will implement complex warehouse logistics software solutions in SAP EWM for renowned major clients worldwide.
- Requirements Engineering: You analyze our customers' requirements and advise them strategically on optimizing their future logistics processes for maximum warehouse efficiency.
- Solution Design: As Lead Consultant, you and your project team will develop customized overall solutions for our clients that perfectly meet their specific needs.
- Realization & Deployment: You are responsible for implementing the agreed solution in collaboration with your project team and ensuring a seamless introduction of the solution to the customer.

#youareknapp

- Leadership Ambition: You aspire to take on responsibility in projects with renowned major clients, make independent decisions and demonstrate your skills as a Lead Consultant.
- Experience: You have at least 3 years of professional experience in the implementation of SAP EWM projects.
- Proven Track Record: You have already successfully completed at least one full SAP EWM implementation cycle as a Lead Consultant.
- Automation Expertise: You actively contribute your expertise in automation solutions such as shuttle systems, conveyor technology and high-bay warehouses to our company.
- Language Proficiency: You are fluent in English and can communicate with us and our international clients.
- Travel Readiness: You enjoy traveling internationally and therefore require approximately 25% travel time, depending on the project phases.

#weareknapp

With us, you will become an SAP logistics expert in a wide variety of industries worldwide (pharmaceuticals, healthcare, food, fashion, etc.). As part of our team of 120 employees in Graz, Klagenfurt, Vienna, Sofia, and Würzburg, we offer you a supportive environment with an informal, collaborative culture, flat hierarchies, and job security. We also offer flexible working hours and home office because your time is valuable!

built on values.
