TOGETHER, WE SECURE

KNAPP

***We protect our business processes
and secure our reputation through
shared commitment to
information security.***

We achieve this by:

● Handling our
information
and data with
confidentiality and
in compliance with
the need-to-know
principle

1

2

● Ensuring
the integrity,
correctness and
traceability of
our information

● Ensuring
availability
of relevant
information at the
right time and in
the appropriate
quality

3

4

● Ensuring a
uniform level of
security process
and technology
standards within
the group
