Checklist for taster placement

Do you want to know whether an apprenticeship with us is right for you? Apply to complete a taster placement.

A taster placement lasts 3–5 days.

- CV (résumé) in tabular format with a photo
- Contact details of your parents
- Confirmation of insurance coverage from your school
- Area in which you would like to be during the taster placement

Important:

Make sure you use our online application portal for your application.

What happens next:

We will get in touch when we have a suitable date for your taster placement.
